Dear Dr. Vasvary:

You were kind enough to send me a copy of your "Lincoln's Hungarian War Heroes", for which I thank you. I hope you have received copies of my last addresses. I am indeed glad that you did this research ^{work} for the Hungarian soldiers who did their full duty during the Civil War were neglected until your work came along.

You told me that I could have as many copies as I need. I would therefore ask you to send me ten copies if you can spare that many for distribution to my friends.

Cordially yours,

Emanuel Hertz
