

HARASZTI, Zoltán

In: Kenneth Roberts:  
"I wanted to write"  
Doubleday 1949  
(P 259, 414-16)

(Helped Roberts to collect  
material for his  
"Northwest Passage")

Curmudgeon, Patriot, President, Philosopher

## JOHN ADAMS

### AND THE PROPHETS OF PROGRESS

by Zoltán Haraszi. John Adams' newly revealed and explosive "conversations" with Voltaire, Rousseau, and a dozen other spokesmen of the Age of Reason reinstate this much-misunderstood man as a great political thinker. The second President's voluminous marginal notes in books in his personal library, arranged in dialogue form, show us an adroit politician with a genius for epithet and a complex yet appealing personality.

Illustrated, \$5.00
