β Gray, John Chipman:  
War letters 1862-65  
of -

See Leabad and John Codman Ropes  
Boston 1927

P. 234, Letter Oct 16-1863

"Estevan's book I have, it seems to be merely a pack of lies but may be interesting as showing the prevalent notions in the Southern states about some of the leading men & events of the war."

β Francis Butler Simkins and James Welch Patton: The women of the Confederacy, Richmond, 1936  
P. 66.
