Axis-Budapest Pact Opposed By Hungarian Groups in U. S

gary's independence and to start tive committee of the federation work for foreign representation of to initiate the movement, accordits government in the event Hun- ing to Dr. Tibor Kerekes, secretary gary is absorbed by Germany, was of the executive committee, and a launched yesterday by 100 dele- member of the faculty at Georgegates of the American Hungarian town University.

A movement to preserve Hun- American citizens asked the execu-

Federation meeting in special conference in the National Press Club.

Believing the Nazi-Hungarian

Senator Harold Burton (R.), or Ohio, a luncheon guest told delegates their program was Believing the Nazi-Hungarian "thoroughly consistent with this Senator Harold Burton (R.), of independence, leading Hungarian-country's present foreign policy.

George Borshy-Kerekes, who was designated to be the organizer of the Indep. Hungary movement (the foregoing day Council of Reformed Federation permitted him to go over to the A.H. Federation for six months) during this meeting in Washington Hotel made the following remark:

"This movement will be just as much anti-Hitler as it will be anti-Churchill.
