

Eckhardt

1942 April 18

Today Dr. m.w. (Royse) told me that the British Govt. does not consider E. the representative of a true H. free movement any more and is far up with that movement in England and

(1968-ban California szenatorjára választották)
(O.F.F.)

Alan Cranston told Mrs. E. Varmany that Lord Halifax told the State Dept that

E. is "persona non grata" as far as the British Govt. is concerned. (There was a correspondence between Aiding Secy of State James Wellles and Lord Halifax)

(Dr. Royse spent the preceding evening in company with Eckhardt and Tibor Kerekes. They were together until 1 A.M.)
