

NOW!

Call upon these mighty Beings from the "Invisible World" around you— and INSTANTLY begin a wonderful new life of wealth, love and happiness!

HERE IS POSITIVE PROOF YOU POSSESS AMAZING PSYCHIC POWERS THAT WILL BRING YOU ANYTHING YOUR HEART DESIRES — AND HERE IS THE SECRET OF RELEASING AND HARNESSING THEM!

Dear Friend:

All around you, at this very instant, is a vast Invisible World pulsing with power. You cannot see, hear, feel, taste or smell this World -- but if you could tap its power right now, all your dreams would come true, all your problems would melt away, all your desires would be fulfilled.

For the inhabitants of this Invisible World are real -- and they will bring you anything you want out of life -- if you only ask them for it in the right way. Yes, whether you want large sums of money, glowing good health, dozens of devoted friends, a more satisfying love life, or anything else, the dwellers in the unseen World will help you get them!

You need only whisper your wishes to your servants in the Invisible World, and they will come true. With their help, you will live a life piled high with the golden riches, the luxurious possessions, the personal honors, and all else you have longed for these many years.

Impossible? Perhaps. But in the startling pages of a new book by Dr. Nandor Fodor, called BETWEEN TWO WORLDS, you will meet these shadowy inhabitants of the other World and find out how to contact them!

You'll discover, for example, a mysterious species of invisible animals that talk with human intelligence. Dr. Fodor takes you with him on an amazing journey to Doarlish Cashen on the Isle of Man to track down one of these beings, and gives full details of the many conversations. A whole new Universe will open before you, as if you had taken off a blindfold -- and you will understand many mysteries that have puzzled you for years.

These creatures can be put to many uses. They can guard your house, protect your family, carry messages for you, let you know what others say about you behind your back, help you find lost objects -- even make you rich! You'll find full details on Pages 155-170 of BETWEEN TWO WORLDS.

How Your Unseen Friends Can Help You

These invisible creatures are but one of many species that live unseen all around you. Some of the others are good; others, unfortunately, are evil. They have been affecting your life from the day you were born, whether you want them to or not. When you contact these beings and control them, you enjoy tremendous success; when you ignore them, you pay the price in misery and failure. It's as simple as that.

Here are some of the many invisible beings Nandor Fodor introduces you to in the fascinating pages of BETWEEN TWO WORLDS:

POLTERGEISTS These mighty beings make furniture move, cups and saucers fly about, stones appear and fall from midair. Sometimes they start mysterious fires. Yet Dr. Fodor proves they can be controlled -- and he tells you just how to go about it, step by step!

ELEMENTALS Spirits of nature, sometimes seen briefly as a pillar of whirling darkness, elementals are tremendously dangerous to humans. Dr. Fodor shows you how to spot these powerful spectres and "discharge" them by means of a spiritual lightning-rod (his famous Rescue Circle technique)!

THE LITTLE PEOPLE These tiny beings have been called by many names over the centuries: elves, gnomes, fairies, leprechauns. Do they really exist? Dr. Fodor tells of actual photographs of these little people taken in modern times. They can lead you to a buried "pot of gold" (although it may be different from what you expect), grant your wishes, do certain household chores for you -- even slow down the passage of time for you so that you stay young!

THE GROUP MIND Here's how you can put yourself in contact with the Collective Mass Mind of the human race -- a centuries-old intelligence that neither forgets nor sleeps. You can draw on the wisdom of the greatest men and women of all time, master entire new fields of knowledge in a twinkling, and find the right answers to your most pressing problems!

... and there are many others. Some are as large as an elephant, some as small as a mouse. But they all have one thing in common: every one of these beings has a direct, personal influence on your life. With their help, there is nothing you cannot do; without it, you must suffer.

For these invisible beings can give you --

- * Endless streams of money, gold, silver and jewels
- * Radiant, glowing health and boundless strength and energy
- * The Irresistible sex appeal of a movie star
- * Amazing psychic powers, such as telepathy, levitation, etc.
- * Control over others, the ability to dominate anyone you meet instantly
- * Tremendous wisdom and peace of mind, profound spiritual treasures

... and much, much more, so that your life will be a long and happy one!

Unlimited Power is Yours!

Yes, no matter what you want out of life, this book will help you get it. It will show you, step-by-step, how to obtain almost unbelievable powers of mind and body -- powers like --

1. **LEVITATION:** Can your body defy the law of gravity? Before you venture an opinion, I'd like you to turn to page 25 in *BETWEEN TWO WORLDS* and read about the lung-gom-pa adepts of Tibet who have discovered a secret that makes their bodies as light as a feather. Then turn to page 26 and try an amazing experiment -- an experiment that will make your body rise in the air like a balloon!
2. **NAME MAGIC:** Discover the mysterious Words of Power that are reputed to tame wild horses, stop wounds from bleeding, and make men and women do your bidding. Then try the "name magic" technique on page 43 to awaken a loved one and make him or her more responsive and affectionate!
3. **UNIVERSAL MEMORY:** Find out how to tap the Akashic Records, the Great Recall which reaches centuries into the past to recapture ancestral memories. See how simply holding an object can bring its entire history into your mind, how a visit to a place can take you on a journey through time into the past, and how, under certain conditions, the human mind can penetrate the veil of the future!
4. **DARK TELEPATHY:** Here is the method by which some men have gone far beyond the bounds of ordinary mind-to-mind communication, and manifested mental domination over others, forcing them to say and do things against their will!
5. **DREAMING TRUE:** Which is our true world -- the world of dreams or the physical world? On page 106 you'll find a step-by-step technique for retaining your full consciousness when you fall asleep, so that you can explore the strange world that lies beyond the "gates of dream" -- and remember your experiences in complete detail when you awaken!

... and these are only a few of the many powers that will be yours! You'll see how some people can change bodies like slipping on a garment, discover what happens when you die, learn about the "nature language" that some claim is the language of animals, and find out how to construct a "psychic alarm" that will warn you of danger.
