" at Freystadt we were
neighbors of E. G. the famous
opera singer. She became

friendly with my mother
and took such an interest
in her children that she
offered to give one of them,
Minnie, singing lessons,
believing that the little
girl's voice was of promising
calibre. An additional bond
of interest between E. G. and
our family was that we
were cousins of Christine -
Gumpertz-Talheim, the
beloved Viennese
prima donna. "
