

Goldberger, Joseph Dr.

Physician and pathologist
b. Girálát, Hungary 1874
d. Washington 1929
To Am. age 6. Practised at
Wilkesbarre Pa

Biogr. & Portr. Univ. Jewish
Enycl. Vol. 16-17
BIB.

Discovered method of defeating
pellagra, the sickness caused by lack
of Vitamin B, because of
unvaried diet.

The vitamin to cure the eruptions
on skin was discovered in 1933.
