## GOOD NEWS FROM INDIA

Our Missionaries in India, Arthur and Helen Srhith, announce the arrival on December 11, 1953, of Peter Alan Smith. Peter joined the Smiths and their two children, Gretchen and King, in time for a Christmas together where the physical surroundings and people more nearly resemble the first Christmas than anything most of us know. They report Christmas is quite different and the only signs of it are in the homes of the "foreigners". This makes for a deeper feeling of the real meaning of Christmas and its spiritual significance.

Arthur, as a missionary architect, has been working on hospitals, churches, additions to schools, new schools, both nursery and high schools, teachers quarters, dispensaries, boys hostels, chapels, and nurses quarters. They are in Deccan, Nagpur, Jabalpur, Baroda, Lucknow and many other places. He reports seeing Dr. and Mrs. K. V. Rajan, former members here, at the Psychiatric Center in Lucknow where they are now on the staff and where Arthur Smith was doing some work.

### MISS GOTTWALS

Miss Gottwals has not only made a great contribution to our Church as an organist, but also as a member, and we are happy to honor her on this occasion.
