

(John Stelle, with) Lond. Tim. Brit
Habe: All my sins, 400p Supp. 12/20/57
Very honest book P. 771

(Harrap) abounds in merciless self-criticism
devoid of self pity. Intention: not to
find himself his past conduct
but find himself guilty on
many counts

father "at one time a Viennese
newspaper magnate, the ruler
of a 'Press empire' !!!

"vivisection of a soul, diary of a
sinner of great ability"

"love-hate relationship w. his
father" who adored him yet almost
damned him in letter before
suicide.

"remark. docum. of our age"
