Itt kuldok egy csomo fratokat amelyek a Mokcsay-Haraszthy csalad történethez tartoznak. Szanto Erno-ne nagyon báratya csaladunknak es o szemelyessen meg kert hogy kutassak itt valamennyit a Haraszthy csaladrol, mivel o is Haraszthy es erdekli a csaladnak leszarmazotjainak sorsa, stb..

Sikerult Jan Haraszthy-val megismerkedni es a kedvess felesegevel. Altadon-n laknak es nagyon erdekelte a csaladunk tortenelme. Captain Hancock-nak a titkarnojevel beszeltem egy párszor mikor szemelyessen bent jartam nala az egyetemen. Az oreget nem lehet latni mert alig van itt Los Angeles-be. Sokat hajozik es folytatja kutatasait. Nincs be szokot jogni, mondja Mrs. Lovelock, csak egy par orrain marad es megy tovabb. Nincs ideje, es nem kotti le magat senkivel mert mar nagyon oreg es nem engedi hogy zavartatva legyen. Az informaciót es eredelőt meg fogja mondanni az oregnek. De nem garantál semmit. Ami a csalidot illeti, nagyon el angolosodott. Az elso Haraszthy Agoston ota nincs is magyar a családban, ami igazi magyart illetne.

Szanto-ne-nal vannak iratok a Haraszthy csaladrol. Ha továbbra is segítségre volna szükseg aakkor gondolom őrdejés volna hozza fordulni. Eh is szávessen segítsek, ha csak lehet.

Szeretettel udvozjom a csalidot.

Agoston Haraszthy purchased vineyards in Sonoma, north of San Francisco from a Mexican governor Mariano Vallejo, who had two daughters, one of which was called Natalja. She and her sister had a double-wedding and Attilka and Arpad, the sons of Agoston, married the two girls. Arpad married Natalja.

The Haraszthy Crest (cimer) is still found on the wine bottled from the vineyards in Sonoma. The Vineyards were purchased by a newspaper man. This wine is sold in California today.

Jan Haraszthy attended Los Angeles High School and attended the University of Southern California, where he studied Art and Music. He received no ~~xi~~ support from Allen Hancock for his musical endeavors and today (as before) is not a piano virtuoso. He relinquished his thoughts of entering the musical field when he entered the Army Signal Corps in 1941. He was discharged in 1945. Opened at Sporting Outfit Store in a partnership with his father-in-law and brother-in-law. Later he went into a textile business which had branches in California, North Carolina and Texas. Presently his work is with investments, especially Real Estate.

Captain Hancock's daughter, Rosemary, has been married a few times since she divorced her first husband Jack (John) Zeiser. Her present husband is Charles Smurr. She had one child from Jack Zeiser - Patricia Ann.
