

HUSZAR George B.

PERSISTENT INTERNATIONAL ISSUES

Edited by **GEORGE B. DE HUSZAR**
Author of "Practical Applications of Democracy"

Before we can achieve international peace and stability, we must solve the all-important *continuing* problems which stand in the way of peaceful relations among nations. Searching behind the forces of power politics, this book brings the problems of enduring peace into a new focus. The following subjects are treated by an array of authorities as persistent issues regarding which public sentiment must continue to mobilize: Relief and Rehabilitation, Displaced Persons, Health, Food and Agriculture, Transportation, Industry and Trade, Money and Finance, Labor, Politics, and Education. "To know our way around in the crises of the post-war period, this important work should stand us in good stead."—*Hartford Daily Courant*. \$3.00

PRACTICAL APPLICATIONS OF DEMOCRACY

By **George B. de Huszar**

Formerly of the European and Asiatic Area Study, University of Chicago

Foreword by **Eduard C. Lindeman**, *New York School for Social Work*. Translates the concepts of democracy into practical everyday techniques—assures the citizen who uses the tools here set forth that his will in American issues *will be felt*. **DAVID E. LILIENTHAL**, *Chairman, T.V.A.*, says: "Everyone should read it who is not content merely to chatter about democracy but who wants to learn the practice of democracy as an art of living."
