Kedves Odon Batyam!

Yesterday I was looking for some items in the basement, in the many cartons stored of old Magyar newspapers of Chicago, Akron, Detroit, etc., and came across some old Ifjusagi Kor pictures and other items which Chuckled me and no doubt you might get a smile out of the distant past...

- (1) - Picture of Dad when he was in service in Nagykanizsa, around 1911, with my uncle who was a school igazgato egy kis faluban...
- (2) - You wouldn't know it...but this is me...6 years amikor ide hoztak USA-ba...
- (3) - Picture Nos. 148 and 156 of the Ifjusagi Kor Tanccsoport on August 1, 1937 -- Magyar Nap at Chicago's Lake Front.. Junior and Senior tancz csoport under Petri Janos, tancmester.
- (4) - Since I took the above pictures, this one shows me and my tancpartner (#3)

/I have extra pictures of the above and if you want I can mail them to you; and I also have all the negatives from the various Magyar Nap parades on Cottage Grove Avenue in Burnside and at Magyar Haz...in the 30s...who would be interested after I am no more..!

- (5) and (6) - Zerox copies of newspaper articles on Kossuth in ONEIDA MORNING HERALD, Utica, New York: 6-1-1852 and 6-2-1852.

Hope this commands a few minutes of your attention and a few smiles
