Journal 1851 (age 47)

" Webster has deliberately ~~lured~~
out his name from all the files
of honour in which he had
enrolled it -- ~~he stands now~~
on the precise ground of the
Metternichs ... He has undone
all that he spent ~~this year in~~
doing! He would ~~do~~ ^{challenge} ~~join~~ the
Hungarians for all his fine
words. I advise ~~Possuth~~,
after his experience of George,
not to trust Webster. He
would in Austria bridle to the
Czar, as he does in America to
the Carolinas, and hunt the
Hungarians from the Sultan
as he does the fugitives from
Massachusetts.
