"much excitement exists upon the  
 East ocean coast touching Mr.  
 Secretary Webster's letter  
 to Mr. March & the recent  
 action of congress in  
 relation to the transportation  
 of Kossuth and his suite to the  
 U.S. -

It is the intention of the  
 Dept to send a ship of war  
 for any of the Hung. refugees  
 we can not but regret  
 that the St. Lawrence

has not been ordered here → as  
she in her disarmed state might  
have furnished ample  
accommodations for a large  
cumber and towed out of the  
Mediterranean by the steamer,  
defended by the Independence
