

Henningsson Bibl.

ab. Wm. Walker in
German Arciniegas, Caribbean
N.Y. 1946 Knopf pp. 370-373

Henningsson published a letter
in a New York paper, the "DAY BOOK."
This book quotes the end of this
letter. He says that "another daring
leader will spring from every
drop of his blood." "When the
day comes, the cause will
not lack a leader."
