

Kossuth's adversaries

a corresp. of my journal of  
Commerce compares K to a  
madman who ascends a high  
mountain and gives the word of  
command to the nations of world:  
Kingdoms on your right wheel,  
march!

(Catalpa Montez, the dancer, who  
came on the same ship  
"Humboldt", after being  
ignored by K. all the  
time, expressed the  
same opinion about  
him.)
