

Kossuth ... an Part. Spensers

Karl Marx to Fr. Engels

Feb 23 - 1853

" --- Nun schreibt mir gestern
Spensers aus Paris, er wisse
positiv, dass die Proklamation
authentisch sei! Ubrigens war
das schon aus dem Inhalt
zu ersehen. Der "Leader"
(mazzinistisch) "deems it his
* duty to caution his readers, that
this affair lies entirely between
Mr. Kossuth and Mr. Mazzini
and that the latter is absent
from England. -- Das par
mobile Fratrum *) scheint
entzweit. Kossuth is ebenso
falsch als feig "

Immediately before this
part of the same letter:

„Du hast gesehen, dass Kossuth
durch einen amerikanischen
Tilibustier, den Kapitän
Wayne Reid, seine angebliche
Mailander Proklamation
desavouiert.“
