Kossuth and the Fugitive Slave Law -
1851, Dec. 1 - p. 93

Why is Kossuth exempted from
this law? Bec. the oppression from
which K. is a fugitive, exists a little
north of Mason & Dixon's line,
and a good ways east of it -

Kossuth and - bec. he is a white man
and not a nigger!

Perhaps bec. we are crazy that we
can't see any other important
difference betw. the case of a
fugitive Hungarian and a
fugitive African

Speech, we made to K. in our own
room
