Letter So. Cay 1779

To Gen. Perry, Lincoln
Fort Ferry

Reports his arrival with
30 dragoons, thinks Gen.
Moultrie should not
leave the place; the
enemy has been at Ashley
Ferry and other points
near and 10 of their
dragoons had taken
20 sick men that Col.
Searris had left on
the road; thinks some
means should be taken
to prevent their ravages.
