

RUTH NANDA ANSHEN

challenges the Judeo-Christian heritage by revealing the Devil, or Evil, as equal in power to God. "The loss of the Devil is as damaging as that of God in the gropings that modern man calls his philosophy...written with great skill and originality."—*Jacques Barzun*. "Few writers would have the nerve to do a book on the Devil. Ruth Nanda Anshen has done it. The book, drawing on a remarkable knowledge of history and myth, is imaginative, provocative, and intriguing."—*Roger L. Shinn*. Illus. \$6.95
