*The history of the American Presidency and
presidential elections from George Washington in 1789
to James Earl Carter Jr. in 1976*

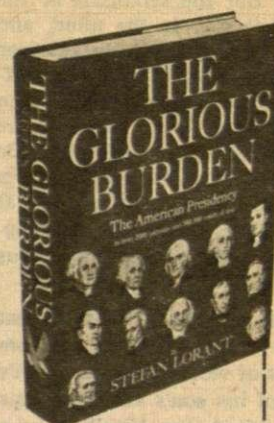

by
STEFAN LORANT

Just off the press! This is the first book containing the entire Carter-Ford campaign as well as all the 47 other presidential elections since 1789.

Watergate, the Vietnam War, the Great Society, the Tweed Scandal, the Civil War, the New Deal are described and illustrated with hundreds of photographs. All administrations of the 37 men who were president—Washington, Jefferson, Jackson, Lincoln, Theodore Roosevelt, Wilson, FDR, Truman, Eisenhower, Kennedy, Nixon are all here with scores of pictures. Rare political cartoons from the earliest days to the present, unpublished daguerreotypes, paintings and snapshots from the presidents' own albums bring alive the country's dramatic history from the Constitutional Convention 200 years ago to Carter's victory last November.
