Dear Rev. Vasvary:

Having heard about the great research that you have done in the field of Hungarian culture, I have become very much interested in the Hungarian peoples and their problems. At the present time, I am writing my doctoral dissertation on the cultural analysis of Hungarian institutions in Pittsburgh and Allegheny county. However, since my work for the Ph.D. is primarily concerned with a limited field as mentioned above, I am quite sure that you could render invaluable aid in the completion of my work.

I would appreciate it very much at this time if you would send me some information concerning the history of Hungarians in the Pittsburgh vicinity.

I trust that I will hear from you soon regarding this matter.

Yours truly,

Joseph K. Balogh
