

BERGMAN

**Bergman Sentenced**

NEW YORK—Bernard Bergman, a one time multimillionaire nursing home operator, was sentenced yesterday to a year in prison for bribery shortly after his attorneys said Bergman would repay \$2.5 million in Medicaid funds.

State Supreme Court Justice Aloysius Melia, noting that he was not bound by a plea-bargaining agreement, directed that the sentence be served in addition to the federal four-month jail term imposed in June for Bergman's admitted conspiracy in a \$1.2 million Medicaid fraud.
