

Anderson, Paul H. dr.

---

Instructor, <sup>D</sup>Dept. of Math., Louisiana  
State University, Baton Rouge, La. (1942.)

His original name: András, his father  
Hungarian, mother Croatian. Was brought  
up until 10 in Croatia. Family lives in  
Barberton, O. Speaks fairly good Hungarian.  
I met him July 2, 1942 in Washington. He  
come up to the Federation's office, seeing  
the name on the building. As a math. statis-  
tician, he was offered different positions  
but considers his present position better  
and goes back to Baton Rouge.
