Dear Mr Vasvary,

About two-and-a-half years' ago, October 1968 to be exact, you wrote asking us about a book on Stephan Parmenius. At that time we hoped to publish it in 1969 but, as you will see, a further year-and-a-half has gone by. However, at last this work is well on its way and we now can be sure of publishing it in the late summer at \$8.50. Can we assume that you are still interested in getting a copy?

Yours sincerely,
