VIOLIN AND POSTCARDS—Ernesto Farago of Budapest, Hungary (he's been in the United States a year) likes to vary his violin activity with the collecting of postcards. He has 4000 from all over the world and specializes in pictures of concert halls, theaters and museums. He has about 250 of concert halls and theaters, mostly European.

Ernesto Farago
Violin

Ernesto Farago of Budapest, has a collection of 4000 illustrated postcards from all over the world which he's collected over the past 20 years. He's especially interested in churches, theaters and museums and has about 250 alone of concert halls and theaters, mostly in Europe. Mr. Farago, who's been in the United States only a year, goes on collecting cards from 'round the world. "I have a large correspondence just for this purpose," says he.
